Quality Policy

We strive to be an environmentally friendly company, that is safe for our personnel and where we can achieve total customer satisfaction by ensuring high product quality and professional service through:

- Provision of high-quality products and services in a manner which will satisfy customer requirements in all respects,
- Implementation of actions to address any risks and opportunities associated with internal/external issues and to meet the needs and expectations of interested parties,
- Compliance with statutory and regulatory requirements,
- Ensuring safe and healthy working conditions for the prevention of work-related injury and ill health and to eliminate hazards and reduce occupational health and safety risks,
- Adoption of good environmental practices and protection of the environment, including prevention of pollution,
- Continuous improvement in Quality Management Systems (QMS),
- Continuous improvement in performance,
- Ensuring that all Company personnel are fully competent to carry out their assigned tasks.

Omar M. Masri

CEO
